

## HEALTHTEXAS PROVIDER NETWORK NOTICE OF HEALTH INFORMATION PRACTICES

### THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

#### **Understanding Your Health Record/ Information**

This notice describes the practices of HealthTexas Provider Network (HTPN) and that of its physicians<sup>1</sup> with respect to your protected health information created while you are a patient at HTPN. HTPN physicians and personnel authorized to have access to your medical chart are subject to this notice. In addition, HTPN physicians may share medical information with each other for treatment, payment or health care operations described in this notice.

We create a record of the care and services you receive at HTPN. We understand that medical information about you and your health is personal. We are committed to protecting medical information about you. This notice applies to all of the records of your care at HTPN.

This notice will tell you about the ways in which we may use and disclose medical information about you. We also describe your rights and certain obligations we have regarding the use and disclosure of medical information.

#### **Your Health Information Rights**

Although your health record is the physical property of HTPN, the information belongs to you. You have the right to:

- Request a restriction on certain uses and disclosures of your information for treatment, payment, health care operations and as to disclosures permitted to persons, including family members involved with

your care and as provided by law. However, we are not required by law to agree to a requested restriction;

- Obtain a paper copy of this notice of information practices;
- Inspect and request a copy of your health record as provided by law;
- Request that we amend your health record as provided by law. We will notify you if we are unable to grant your request to amend your health record;
- Obtain an accounting of disclosures of your health information as provided by law;
- Request communication of your health information by alternative means or at alternative locations. We will accommodate reasonable requests; and
- Revoke your authorization to use or disclose health information except to the extent that action has already been taken in reliance on your authorization.

You may exercise your rights set forth in this notice by providing a written request, except for requests to obtain a paper copy of the notice, to the Compliance Officer at HealthTexas Provider Network, 8080 North Central Expressway, Suite 1700, LB 83, Dallas, TX, 75206.

#### **Our Responsibilities**

In addition to the responsibilities set forth above, we are also required to:

- Maintain the privacy of your health information;
- Provide you with a notice as to our legal duties and privacy practices with respect to information we maintain about you;

- Abide by the terms of this notice;
- Notify you if we are unable to agree to a requested restriction on certain uses and disclosures;
- We reserve the right to change our practices and to make the new provisions effective for all protected health information we maintain, including information created or received before the change. Should our information practices change we are not required to notify you, but we will have the revised notice available for you to request at HTPN. The revised notice will also be posted at HTPN offices and on the Baylor Health Care System web page at [www.baylorhealth.edu](http://www.baylorhealth.edu); and
- We will not use or disclose your health information without your written authorization, except as described in this notice.

#### **Examples of Disclosures for Treatment, Payment, Health Care Operations and As Otherwise Allowed By Law.**

The following categories describe different ways that we use and disclose medical information. For each category of uses or disclosures we will explain what we mean and try to give some examples. Not every use or disclosure in a category will be listed. However, all of the ways we are permitted to use and disclose information should fall within one of the categories.

*We will use your health information for treatment.*

**For example:** We may disclose medical information about you to

doctors, nurses, technicians, medical students, or other personnel who are involved in taking care of you at HTPN. We may share medical information about you in order to coordinate different treatments, such as prescriptions, lab work and x-rays. We may also provide your physician or a subsequent health-care provider with copies of various reports to assist in treating you once you are discharged from care at HTPN.

*We will use your health information for payment.*

**For example:** A bill may be sent to you or a third-party payer. The information on or accompanying the bill may include information that identifies you, as well as your diagnosis, procedures, and supplies used.

*We will use your health information for regular health care operations.*

**For example:** We may use the information in your health record to assess the care and outcome in your case and others like it. This information will then be used in an effort to continually improve the quality and effectiveness of the health care and services we provide.

*We will use your health information as otherwise allowed by law. The following are some examples of how we may use or disclose medical information about you.*

**Business associates:** There are some services provided in our organization through agreements with business associates. Examples include answering services and copy services. To protect your health information, however, we require business associates to appropriately safeguard your information.

**Notification:** We may use or disclose information to notify or assist in notifying a family member, personal representative, or another person responsible for your care, your location, and general condition.

**Research:** We may disclose information to researchers when their research has been approved by an institutional review board that has reviewed the research proposal and established protocols to protect the privacy of your health information.

**Funeral directors:** We may disclose health information to funeral directors consistent with applicable law to carry out their duties.

**Organ procurement organizations:** Consistent with applicable law, we may disclose health information to organ procurement organizations or other entities engaged in the procurement, banking, or transplantation of organs for the purpose of tissue donation and transplant.

**Communications for treatment and health care operations:** We may contact you to provide appointment reminders or information about treatment alternatives or other health-related benefits and services that may be of interest to you.

**Fundraising:** We may contact you as part of a fundraising effort.

**Food and Drug Administration (FDA):** We may disclose to the FDA health information relative to adverse events with respect to food, medications, devices, supplements, product and product defects, or post marketing surveillance information to enable product recalls, repairs, or replacement.

**Worker's compensation:** We may disclose health information to the extent authorized by and to the extent necessary to comply with laws relating to worker's compensation or other similar programs established by law.

**Public health:** As required by law, we may disclose your health information to public health or legal authorities charged with preventing or controlling disease, injury, or disability.

**Abuse, neglect or domestic violence:** As required by law, we may disclose health information to a governmental authority authorized by law to receive reports of abuse, neglect, or domestic violence.

**Judicial, administrative and law enforcement purposes:** Consistent with applicable law, we may disclose health information about you for judicial,

administrative and law enforcement purposes.

**Required or allowed by law:** We will disclose medical information about you when required or allowed to do so by federal, state or local law.

### **For More Information or to Report a Problem**

If you have questions and would like additional information, you may contact the Baylor Health Care System Office of HIPAA Compliance at 1-866-245-0815.

If you believe your privacy rights have been violated, you can file a complaint with the Baylor Health Care System Office of HIPAA Compliance or with the Secretary of Health and Human Services. There will be no retaliation for filing a complaint.

## Electronic Communications to Patients

Baylor Office EHR is a joint effort of HealthTexas Physician Network physicians and other physicians aligned with Baylor Health Care System to fully support an electronic patient care experience through implementation of a common electronic health record platform. HealthTexas Physician Network (“HTPN”) is pleased to offer Baylor Office EHR as a convenience to communicate electronically with you under the conditions and terms outlined below.

### Use of Electronic Communication from HTPN to the Patient

Please check the appropriate box below:

Yes, I want HTPN to communicate my information with me through a secure system that is designed to keep your information safe. You will be notified via email when there is secure information for you to review. The e-mail will provide a link that will take you to the secure site. After clicking on the link, you will be required to log-in and provide a password to access your information. You will need to make note of the password to access any future information.

Please enter in the space below the e-mail address you want to use to receive the notification that there is information awaiting your review:

**E-mail address (please print):**

In choosing your e-mail address, please consider the privacy implications; for example, any other person that may have access to your e-mail address or any other person, such as your employer, that may have the right and/or ability to review all e-mail received at your work address.

No, I do not want HTPN to use electronic communication as a way to communicate my information to me.

### HTPN E-mail Guidelines

- At this time, HTPN can only send e-mails *to* patients. Currently, HTPN is not able to *accept* patient e-mails.
- All e-mail you receive from HTPN is sent under the name and e-mail account of DFW Centricity.
- The patient is responsible to notify HTPN promptly of any changes to his/her e-mail address.
- All of HTPN’s electronic communications to you are recorded in your medical record. Those who have access to your medical record also have access to the e-mail messages sent to you.

### Confidentiality and Privacy

- If the electronic communication process described above is not used, we cannot guarantee the confidentiality of the information.
- HTPN will not share your e-mail address with anyone unauthorized to view your medical record.

### Consent and Agreement

*I have carefully reviewed this document and agree to fully comply with the guidelines defined herein for electronic communication from HTPN. I understand that the service will be offered at no charge and that I will be notified if and when a fee is administered for the service.*
